

Effie's Greek Salad Dressing

This salad dressing brings my homeland, Greece, to our home! It's zingy, tangy, and bright and so easy to make. It's perfect for salads but it can be used for livening grilled or steamed vegetables, cooked legumes, chicken and fish dishes and kebobs.

Ingredients:

½ cup	Extra Virgin Olive Oil
¼ cup	Lemon Juice
1 tsp	Sea salt
½ tsp	Dried oregano
½ tsp	Dried dill
2	Garlic cloves –smashed
¼ tsp	Freshly ground black pepper

Directions:

In a small bowl whisk together all the above ingredients. Store in a glass container-it keeps for 5 days in the refrigerator.
